Baptist Church To Feature Convert From San Quentin

From his wheel chair, Stanley D. Hill of South Gate, will tell his thrilling life story at the First Baptist Church of Torrance, Sunday, August 1 at 7:30 p.m. according to Rev. Douglas Jeffrey, assistant pastor. A cordial welcome is extended to the community to attend.

The First Baptist Church is on Carson at Manuel street in Torrance, California.

"Hill was converted at the age of 24 after a bullet through the neck brought him face to face with the seriousness of life, and left him confined to a wheel chair for the rest of his life. The story of his conversion from a life of crime to a life dedicated to God and the preaching of the Gospel reads like a story from the Books of Acts," Rev. Jeffrey declared.

"While serving in San Quentin I studied a correspondence course in Bible from one of the most outstanding Bible Schools in America and completed the course in seven months and fifteen days," said Hill.

The summer revival which began at the Narbonne Avenue Southern Baptist church this past Sunday will continue through August 8. Services are held each night at 7:30.

Sunday school meets at 9:45 a.m., and the training union at 6:30 p.m. on Sunday.

This coming Sunday the pastor will speak on the subject, "How God Shows His Love."

REVIVAL CONTINUES
An appropriation for an engineering study of the feasibility of widening Carson street from Normandie avenue to Wilmington avenue was voted last week by the Board of Supervisors, according to Supervisor Burton W. Chace.

Dr. Hull Addresses College Conference

Dr. J. H. Hull, superintendent of schools in the Torrance school district, spoke on the importance of good public relations at the University of Southern California Friday, July 16.

Dr. Hull spoke there in conjunction with the School Administration-Supervision Conferences held at USC.

"The object of good public relations is two-way communications and understanding," Dr. Hull said. "With understanding we have only suspicion, distrust, and fear that produces poor educational climate in the community."

"When the understanding has existed long enough to produce faith in the leadership of the schools and that faith has permeated the entire community, an educational climate which is conducive to good schools has been developed."

"Then you have good public relations."

"The advisory committee is one of the best devices known for developing two-way com-

that the committee acts strictly in an advisory capacity and has no policy-making powers. This power is strictly reserved for the Board of Education.

The advisory committee is valuable because it presents a way of reaching every element in a community since it represents a cross section of community interests, Hull said.

EVANGELIST . . . Dr. Byron Richardson, pastor of the Park Heights Baptist Church in San Angelo, Texas, will appear at the Crenshaw Baptist Church, 18749 Crenshaw Blvd., August 4 through 15 every night at 8 p.m. Special music will be featured with every service. The public is invited.—Adv.
